

CAMERON NATIVIDAD

3D Animator

PROFILE

I am a recent graduate from the Art Institute – California in Orange County. I majored in Media Arts and Animation. Although I specialize in 3D Animation, I have a passion in writing children's books and comics.

EDUCATION

The Art Institution – California Orange County

October 2014 – December 2018

Member of Alpha Beta Gamma – International Business Honor Society.

Trabuco Hills High School

September 2002 – June 2006

WORK EXPERIENCE

Thomas Lavin, Inc. – Client Services

June 2015–June 2019

Process quotes and orders from our clients on the back end. Responsible for the accurate production and shipment of interior design goods from the vendors to our clients. Create practical solutions to any issues that may arise during production or transport. Being the middle man between manufacturers and designers, I maintain a perfect balance of keeping both parties happy.

The Learning Connection - Senior Child Care Leader

August 2005–November 2014

Plan and implement after school lesson plans for Kindergarten aged children. Supervise Child Care Leaders during their daily activities with elementary aged children. Assist the Site Coordinator with their duties in running the program. Create clubs and programs like the Cartooning Club that challenged kids to be creative. Ensure each child under my care had a fun, yet educational experience.

SKILLS

Proficient with:
